Dear Mr. Wells:

What a privilege to serve others together as you have assisted CRN in providing "a safety net for families in crisis, preventing homelessness and restoring the homeless". Thank you so much for your company's generous donation of labor and materials in completing some much needed "sprucing-up" for *OUR HOUSE* Family Shelter. The donation received will help CRN in providing an esthetically pleasing home for families staying at the shelter as well as allowing us to be a good neighbor by keeping the house in good repair. Working with the Virtexco team was truly a pleasure. Their efficiency and dedication are to be commended. I received a list of those involved and wanted to specifically thank each one by name: Dan Hassett, Stephanie Tame, Don Adams, Olivia Adams, Emily Adams, Cindy Davis, Melissa Lampkin, Tommy Ambrose, Julie Carter, Pat Kilgore, Eddy Almeda, Patti Thrush, Tricia Parker, Brennan Raab, Curt Lumsden and Harvey Hwang. Dan was a great coordinator; send him my thanks as well as the whole team that served. Enclosed are photos taken by the President of the Board of Directors on that day. I hope you will have opportunity to share them with the team.

Your participation with and support of CRN is truly a blessing to many. Your donation will allow CRN's homeless prevention services, through *OUR HOUSE* Family Shelter to continue to serve the truly needy in our community. These vital services often mean the difference between success and failure for a person in their quest for self-sufficiency and a stable, safe and secure future for themselves and their families.

Again, thank you for your support and may you receive as you have given. If you are once again interested in a volunteer project, please keep CRN in mind.

"He who is gracious to a poor man lends to the Lord, and He will repay him for his good deed."
